Vocational High School is the "Book of Knowledge" through which our education has been greatly expanded. Without the help of our dedicated faculty, whom we appreciate and respect for guiding us through the most difficult years of our lives, this would not have been possible.

Vocational's Yearbook Staff, through its diligent effort and constant interest, has brought this book to you. We convey the hope of each member of the Class of '69 that the recognition accorded our students in its pages will stimulate all of us to strive for further accomplishments and to dedicate ourselves to those standards of excellence so painstakingly set before us during our years at New Bedford Vocational High School.

To all faculty members and Mr. Janiak, we express our sincerest gratitude.

Z. WALTER JANIAK, Director

This year's graduation class is one of many moving into the troubled mainstream of our great country.

It differs from many of its counterparts, particularly from those who leave institutions of higher learning, in that these young people have acquired a deep respect for the Constitutions and laws of this state and this nation.

ALBERT C. WOBECKY, Assistant Director

Congratulations to the Class of '69 and best wishes in all future endeavors.
Albert C. Wobecky, *Assistant Director*

The [redacted] of 1969 is proud to dedicate this yearbook to Mrs. Barbara Harrell, who has given much guidance and help to the girls in her sophomore foods classes.

Although Mrs. Harrell expected each girl to do her share, she never demanded too much from anyone. She was ever willing to help us with any problems that arose, not only during classes but at any time.

We will always remember Mrs. Harrell's understanding of and patience toward all of us.

[redacted]

The graduating class of 1969 of New Bedford Vocational High School is pleased to honor Mr. Robert A. Simmons by the dedication of the Mariner 1969. The senior class feels that the six years in which Mr. Simmons has contributed to our school make him worthy of being so honored. His long service to the Related Department of New Bedford Vocational High School has contributed immeasurably to the progress made by this valuable department.

Mr. Simmons will always be remembered by the class of 1969 for his leadership, personality, and above all, the understanding he gives anyone and everyone.

We are grateful and proud to hereby dedicate the Mariner 1969 to Mr. Simmons.

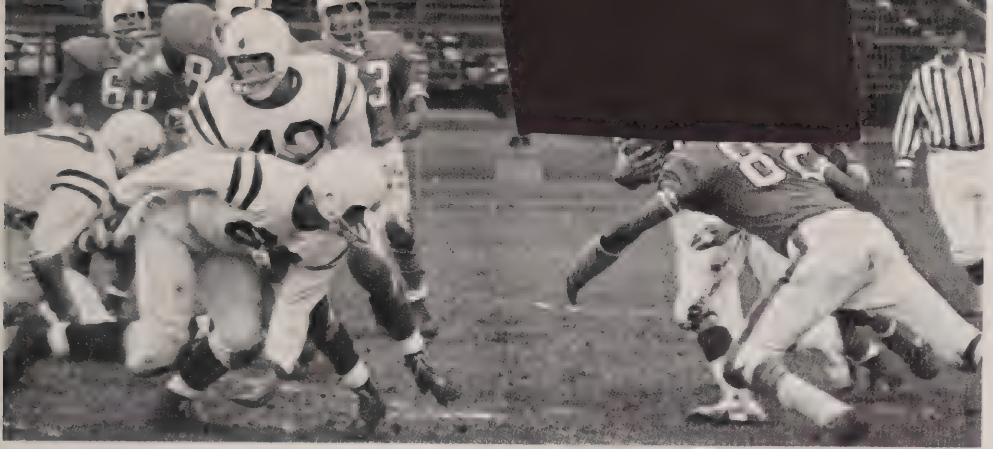
FOOTBALL

The New Bedford Vocational High School Football Team of 1968 provided the student body and area fans with many exciting and close games. Coach Jeffrey Riley and his capable assistants Henry Cebula, John Risgin, and William Constant all felt that the team had given complete dedication and desire in every game.

Highlight of the season was a 28-0 rout of Blue Hills Regional Vocational High School led by all Bristall County Tackle Michael Gomes.

For the first time in the history of the school, a freshman team was fielded. The yearlings posted a fine 3-2-0 record guided by Student Freshman Coach Michael Ribeiro.

Vocational will be losing eleven players next year; our loss will undoubtedly be someone's gain. Leaving us will be co-captains Eric Ramos and Robert Woodacre, Dennis Forgue, Frank Amaral, Ronald Bobola, William Green, Phillip Goulet, Robert Bellavance, Joseph Bousquet, Rene Barrett and John Pina.



1st row L to R: Joe Delgado, Tom Gomes, Russell Monteiro.
2nd row L to R: Wayne Hathaway, Don Desrosiers, Andre Fiano, Dennis Forgue.
3rd row L to R: Gary Pope, Mike Gomes, Robert Carreiro, Rico Ramos, Robert Desrosiers.
Absent when picture was taken was Rene Barrett.

The 1968-69 basketball season was awaited with great anticipation by Vocational High fans. Students and people all over the County were saying, "This is going to be Voke's year!" And like dogs beckoning to their master's call, the team responded by winning five consecutive ball games.

Yes, things really looked good for the "green wave", and the players could feel victory no. 6 was close at hand. However, it was during this sixth game that Vocational was to suffer only one of its two major physical setbacks; this one in the person of Tom Gomes, Bristol County League's own "Superstar".

Gradually Voke's hopes began to decline. To compound the above "fracture", Rico Ramos, sensational neophyte landed hard in a scramble for the ball during the second New Bedford High game. Apparently only shaken up, Rico finished the game under what was discovered later, painful circumstances. A routine X-ray proved fatal to Voke's "Tech" hopes. Rico was destined to finish the season with Tommy, in a cast and out of action.

Down but not out, the Artisans under the competent direction of Head Coach Ed Lowney and his equally capable Assistant Coach, Terrence Gomes, proved their worth as a good basketball team by finishing the season with a winning 10-8 record. Such a valiant comeback did not go unnoticed, and by the season's end the Artisans had gained the praise and respect of the local basketball world. When the Artisans take the floor for the upcoming 1969-70 season, among those sorely missed will be Tom Gomes, one of the best basketball players to ever play in this part of the state, Wayne Hathaway, Dennis Forgue, Andre Fiano, Rene Barrett and Don Desrosiers, the latter two both of whom were "Player of the Week" selections during regular season play.

1st row L to R: B. Desrosiers, D. Desrosiers, M. Gomes, R. Richards, W. Hathaway, R. Breton, F. Amaral, M. Rioux. *2nd row L to R:* Asst. Coach J. Riley, P. Ferreira, R. Neagus, P. Rioux, M. McMahon, T. Kirk, D. Houghton, D. Phillips, B. Sparling, B. Reis, P. Dupont, Coach W. Norton.

The team started out with great promise. Every position was fortified with seasoned players except in the catching department. Wayne Hathaway solved our problem, partially, but we had to sacrifice a good second baseman to make the change. The team played 500 ball and most of the success can be attributed to the pitching of Marc Rioux and the hitting and fielding of Don Desrosiers and Richard Neagus.

The 1969 season should be better. Most of the lettermen are back: Marc Rioux, Richard Neagus, Mike Gomes, Don Desrosiers, Wayne Hathaway, Frank Amaral, Bob Desrosiers, and Dennis Richards. With the addition of Jerry Richards, Gary Pope and others the coming season shows promise.

In 1968, the soccer team compiled an admirable record of 4 wins, 5 ties, and only three losses, finishing third in the Southeastern Massachusetts Soccer League. The squad consisted of over twenty-five boys, quite evenly distributed among the four classes. Seniors participating included co-captains Paul Ferreira and Don Clapp. Mike McMahon, John Baptista, Oscar Pimentel and Joe Pavao completed the senior roster. A returning nucleus of veteran, letter-winning underclassmen provides great promise for the future. The highlight of the 1968 season was a 1-0 victory at Westport; the first defeat suffered by them on their own field in five years. Goal-keeper Paul Ferreira stopped a penalty shot to preserve a shut-out. A balanced effort on offense and defense made Manny Ferreira's fourth quarter goal the margin of victory. Two members of the squad were named to league's first-string All-Star Team. They were fullback Bob Carreiro and center-forward Manny Ferreira. Given honorable mention honors were Joe Pires, John Costa, Manny Vargas, and Paul Ferreira. First-year coach Walter Siwik had good reason to be extremely proud of his charges. If desire, determination, hard work and courage are some characteristics of a successful team, this year's team blended these ingredients well.

Our Spring Track 1968 was well accepted as we returned to Bristol County competition after a few years absence.

Mr. Janiak bought new equipment which brought favorable comment from every place we competed at.

Bob Janak, Bill Leahey and Gerry Wills made Vocational's presence felt by placing among the first five in the Bristol County Championship Spring Meet.

We had a good turnout for Winter Track 1968-1969 but still I would appreciate more. Whereas our record was not as good as last year's, we show good promise for the future. P. Tiernan, E. Isaksen, Bob Woodacre, Bill Clark, M. Rioux, S. Reid and Bill Leahey were the big consistent point getters for Vocational.

Bill Leahey placed fourth in the 300 yd. event at Capeway Conference Winter Track Championship Meet.

"Who's the leader?" is what's asked in Nursery School when the little ones are preparing to have a parade. Everyone has an instrument (it's the funniest rhythmic noise!)

How the children love Nursery School where there are so many activities! The parade is over and now the children are modeling clay. They're very imaginative. The girls also participate in clay modeling so as to help the youngsters create ideas; in fact, every activity is engaged in by the girls, as well as the children.

It's such a pleasure to be with these little ones, and there are many things we learn from them. We learn, for example, to understand children and to assume responsibility for them, since those in Nursery School are under our constant supervision.

Every junior girl is likely to remember this as a delightful and fulfilling course. It has truly been a pleasure.

The Kiwanis Key Club is a school service club sponsored jointly by the Kiwanis International and Vocational High School. Its ultimate aim is to develop among male students a sense of responsibility toward their fellow man. It is the hope of the sponsoring agents that from these select young men, the community will derive its future leaders. The destiny of our nation will be in the hands of capable young men like those in this humanity service organization. These young men who have made front page headlines with their deeds and sacrifices and have reached out to many hearts and have acquired a warm feeling toward our school and club.

The Traffic Squad is made up of sophomores, juniors, and seniors of the Household Arts Department.

To be eligible for the squad, each girl, who must have good conduct, has an application signed by both her home room teacher and a major subject teacher. Then the traffic squad advisor confirms the application.

Each member must, first of all, be dedicated to being a member of the traffic squad by obeying all rules herself. She must enforce the rules in a firm but pleasant manner.

Members keep order and discipline in the corridors. Warning slips are given if traffic rules are disobeyed. Certain girls are assigned as floor leaders and to the auditorium squad.

Each year members go on an outing to a place of their choice with their adviser, Miss Goggin.

Club officers for the 1968-1969 season were Susan Lavimoniere, president; Christine Bourbeau, secretary; and Dodie Arruda, treasurer.

New Bedford Vocational High School's Technical Chapter of the National Honor Society was organized in 1962. Made up of sophomores, juniors, and seniors, our chapter has thirty-six members at this time.

Since the chief purpose of the National Honor Society is to encourage high scholastic achievement, members must maintain an overall average of at least eighty-five per cent. They are, in addition, expected to demonstrate admirable traits of character.

Besides holding the annual induction ceremony, regular meetings, and special executive sessions, members of our Honor Society pay dues and sell Fanny Farmer chocolates so as to raise money for taking a trip at the end of the ye [redacted] the New Bedford Vocational High School Scholarship and Welfare Fund.

The Future Nurses Club is open to sophomores, juniors, and seniors. Advised by Mrs. McCue, this club is a very fruitful organization, which gives members a chance to consider careers in medicine.

All trips are made to places associated with science or medicine.

During the months before Christmas, members of the club sell Avon products. The money made goes to fortunate seniors who wish to further their education in medicine or science.

Officers for the 1968-1969 term were Joyce Taber, president; Debi Almeida, vice president; Dodie Arruda, secretary; and, Linda Costa, treasurer.

All in all, the Future Nurses Club is a worthwhile organization.

If you think you hear singing on some Tuesday afternoon, it's not your imagination. The Household Arts Glee Club practices every Tuesday afternoon from two to three o'clock.

The girls sing some great classics such as *Exodus* and *The Impossible Dream,* as well as popular songs as *Born Free* and *Up, Up and Away.*

Mr. Herbert Bowker directs the Glee Club, while Miss Joan Parkins acts as adviser.

Denise Profita, Jeanine Croteau, Maral Smith, Kathy Affonce, Miss Goggin, adviser. Gail Pettey, Bernice Renaud, Deborah Almeida, Dodie Arruda, Marcia Sylvia, Christine Bourbeau.

The girls of the Household Arts Department have organized a staff for the purpose of teaching the children at St. Mary's Home how to prepare various types of foods. Cooking lessons are held every Thursday after school. The children are given some of the responsibility and are encouraged to assume some of the tasks of the homemaker.

These girls look forward to this weekly session and appreciate the knowledge and friendship shared with them. It is a wonderful [illegible] brought cheer and helpful advice to those who wish to learn.

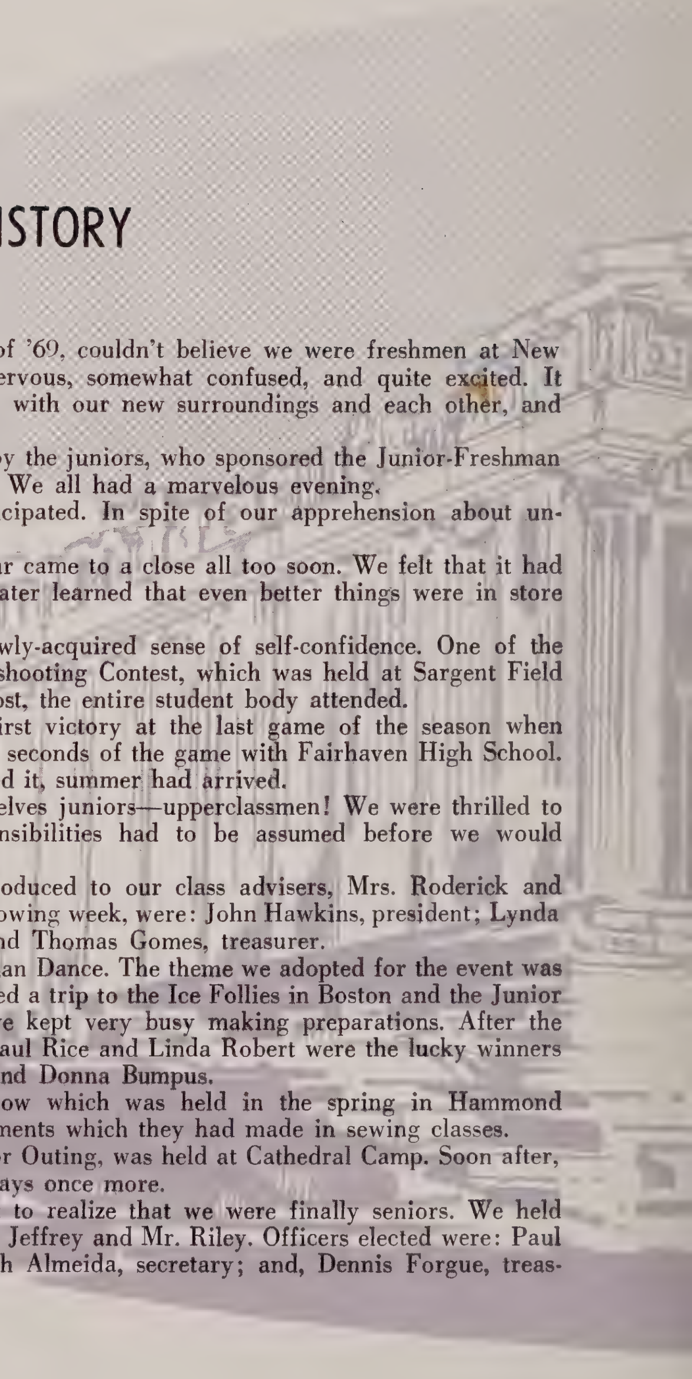
CLASS HISTORY



It was early September of 1965 and we, the Class of '69, couldn't believe we were freshmen at New Bedford Vocational High School. We were a little nervous, somewhat confused, and quite excited. It wasn't long, however, before we became acquainted with our new surroundings and each other, and then we began to relax and enjoy working together.

We were formally welcomed into our new school by the juniors, who sponsored the Junior-Freshman Dance in the Gold Room of the New Bedford Hotel. We all had a marvelous evening.

Next came the style show in which every girl participated. In spite of our apprehension about undertaking such a project, it proved a great success.

After much fun and hard work, our freshman year came to a close all too soon. We felt that it had been the most rewarding year imaginable, but we later learned that even better things were in store for us.

Most of us entered our sophomore year with a newly-acquired sense of self-confidence. One of the most memorable events of this year was the Troubleshooting Contest, which was held at Sargent Field in early May. Since New Bedford Vocational was host, the entire student body attended.

This was the year that our football team won its first victory at the last game of the season when Norman Slowick made a touchdown in the final few seconds of the game with Fairhaven High School.

Another busy year flew by, and before we realized it, summer had arrived.

At long last, in September of 1967, we found ourselves juniors—upperclassmen! We were thrilled to realize this, but we were also aware that many responsibilities had to be assumed before we would reach our ultimate goal, graduation day.

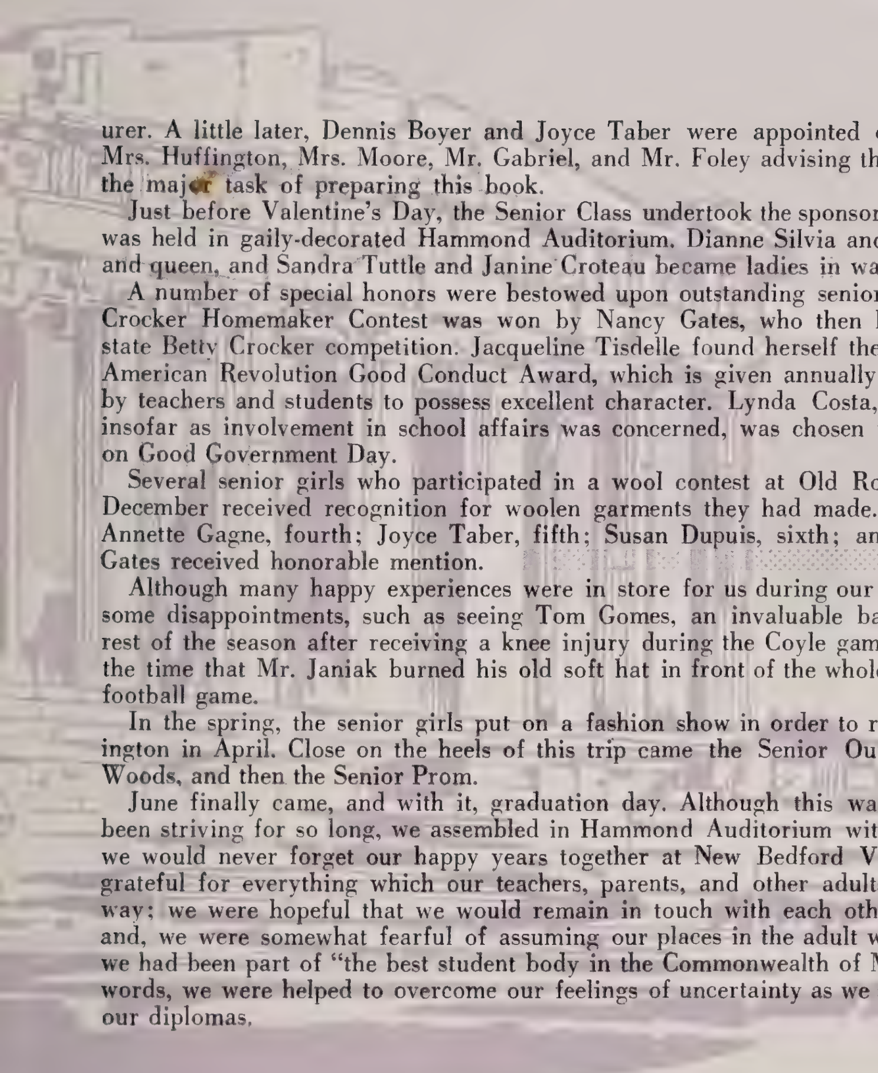
During our first junior class meeting, we were introduced to our class advisers, Mrs. Roderick and Mr. Almeida. Our officers, who were elected the following week, were: John Hawkins, president; Lynda Costa, vice president; Deborah Almeida, secretary; and Thomas Gomes, treasurer.

Now it was our turn to sponsor the Junior-Freshman Dance. The theme we adopted for the event was "The New World." Other activities of the year included a trip to the Ice Follies in Boston and the Junior Prom. This was the first prom for many of us and we kept very busy making preparations. After the traditional march, the king and queen were chosen. Paul Rice and Linda Robert were the lucky winners of these titles. Ladies in waiting were Elaine Berard and Donna Bumpus.

Another highlight of the year was the fashion show which was held in the spring in Hammond Auditorium. The girls modeled various types of garments which they had made in sewing classes.

The final outstanding event of the year, the Junior Outing, was held at Cathedral Camp. Soon after, summer came into view and we went our separate ways once more.

When September of 1968 arrived, it was difficult to realize that we were finally seniors. We held our senior class meeting and met our advisors, Mrs. Jeffrey and Mr. Riley. Officers elected were: Paul Rice, president; Lynda Costa, vice president; Deborah Almeida, secretary; and, Dennis Forgue, treas-



urer. A little later, Dennis Boyer and Joyce Taber were appointed co-editors of the yearbook. With Mrs. Huffington, Mrs. Moore, Mr. Gabriel, and Mr. Foley advising the yearbook staff, we proceeded on the major task of preparing this book.

Just before Valentine's Day, the Senior Class undertook the sponsorship of the Sweethearts Ball, which was held in gaily-decorated Hammond Auditorium. Dianne Silvia and Dennis Forgue were chosen king and queen, and Sandra Tuttle and Janine Croteau became ladies in waiting.

A number of special honors were bestowed upon outstanding seniors throughout the year. The Betty Crocker Homemaker Contest was won by Nancy Gates, who then became eligible to compete in the state Betty Crocker competition. Jacqueline Tisdelle found herself the recipient of the Daughters of the American Revolution Good Conduct Award, which is given annually to the senior girl who is believed by teachers and students to possess excellent character. Lynda Costa, one of our most active seniors insofar as involvement in school affairs was concerned, was chosen to represent Vocational in Boston on Good Government Day.

Several senior girls who participated in a wool contest at Old Rochester Regional High School in December received recognition for woolen garments they had made. Donna Bumpus won third place; Annette Gagne, fourth; Joyce Taber, fifth; Susan Dupuis, sixth; and June Bisaillon, seventh. Nancy Gates received honorable mention.

Although many happy experiences were in store for us during our senior year, we did, however, have some disappointments, such as seeing Tom Gomes, an invaluable basketball player, sidelined for the rest of the season after receiving a knee injury during the Coyle game. Among the funny moments was the time that Mr. Janiak burned his old soft hat in front of the whole school after we had won our first football game.

In the spring, the senior girls put on a fashion show in order to raise money for their trip to Washington in April. Close on the heels of this trip came the Senior Outing, which was held at Lincoln Woods, and then the Senior Prom.

June finally came, and with it, graduation day. Although this was the goal toward which we had been striving for so long, we assembled in Hammond Auditorium with mixed emotions. We were sure we would never forget our happy years together at New Bedford Vocational High School; we were grateful for everything which our teachers, parents, and other adults had done to help us along our way; we were hopeful that we would remain in touch with each other throughout the years to come; and, we were somewhat fearful of assuming our places in the adult world. Remembering, however, that we had been part of "the best student body in the Commonwealth of Massachusetts," to use Mr. Janiak's words, we were helped to overcome our feelings of uncertainty as we stepped forward proudly to receive our diplomas.

Special Thanks to

MRS. IRENE HAMEL

The class of 1969 would like to extend our appreciation to you for your time and dedication in the preparation of the mountains of copy necessary in order to make our yearbook a success.

Thanks again and sorry 'bout those headaches we have caused you.
